

# WILKINS and KENT

The Wilkins and Kent CD cabinet has become the benchmark for CD storage in Melbourne. No other CD storage unit has such a large capacity (up to 1000 CDs) and allows you to categorise your collection - no mess, or piles of CDs on the floor!

Traditional

The Wilkins and Kent CD cabinet was designed to make storing and finding CDs easy- while providing a beautiful piece of furniture. It stands about 2m tall but takes up minimal floor space. It's perfect for inner city or apartment living.

You can also use the Wilkins and Kent CD cabinet to display other collections - photographs, objects or artwork. Alternatively, we can provide, pigeonholes large enough for DVDs, videotapes or paperbacks

*flat-top detail*

The Wilkins and Kent CD Traditional cabinet has a solid timber frame—we use solid recycled hardwoods such as Victorian ash, red gum and jarrah.

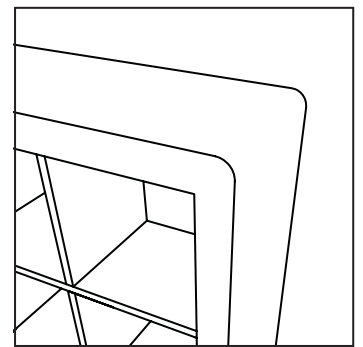

**Barbi**

It consists of craftwood internal pigeonholes with a timber veneer box frame, providing maximum strength. It is available in a range of finishes including, Jarrah, American Oak and Tasmanian Myrtle.

*square edge*

The Wilkins and Kent CD 'Barbi' cabinet is available in many sizes - storing from 300 to over 1000 CDs. The Barbagallo or 'Barbi' style is named after Frank Barbagallo the customer who ordered it first!
